

## **Soul Care**

**The care of our Soul will be the subject for our worship services in October:**

**October 7th—Soul Food**

**October 14th—Soul Brothers and Sisters**

**October 21st—Soul Sacrifice**

**October 28th—Soul Sharing**

**Bring soul food or comfort food to share for a potluck lunch on October 7th!**

## **Local Missions Event**

**October 12, 13, 14**

**Join us in repair work in the neighborhood and at the church starting Friday evening through Sunday evening. Persons with any skill level are needed (or no skill at all). We have plenty of work identified, and need lots of help to get it done.**

## **National Night Out**

**October 2nd is National Night Out. Attend an event in your neighborhood or just go out and talk with your neighbors. It will make your neighborhood a safer and better place. If your neighbors don't attend church, offer to pick them up to attend church with you on Sunday.**

## **Open My Eyes Today Lord**

**Open my eyes today LORD, that I may see the people that you place in my path, really see them. Give me eyes like yours that I may see the opportunities that you give me. Let me see where a word of welcome may help, where a word of encouragement may lift. Help me today see where an act of love and grace may heal, where an act of acceptance may restore. Give me eyes today to see the need in the stranger and in those nearest to me, and give me the courage and willingness to act on behalf of you.**
